

Daily Health Screening for COVID-19 for Anyone Entering the Building

The person conducting screenings should maintain 6 feet distance while asking questions. Ask these questions to anyone entering the facility or transportation vehicle (including children, staff, family members, or other visitors). If no person is accompanying the child during drop-off, use your best judgment if the child can respond on his/her own.

People should not be at the child care facility if they may have been exposed to COVID-19 or are showing symptoms of fever, chills, shortness of breath, difficulty breathing, new cough, or new loss of taste or smell.

When entering the child care facility, have you or any of the children you are dropping off:

1. Been diagnosed with COVID-19 since they were last at child care?

- Yes
- No

• *If No, move on to Question 2.*

• *If Yes, say and ask: They cannot go to child care. Does anyone else who lives with them also go to or work at this child care? Yes No*

– *If Yes, say: Those individuals cannot go to child care.*

2. Had any of the following symptoms since they were last at child care?

- Fever
- Chills
- Shortness of breath or difficulty breathing
- New cough
- New loss of taste or smell

• *If No, move on to Question 3.*

• *If Yes to at least one symptom on this list, say and ask: They cannot go to child care. Does anyone else who lives with them also go to or work at this child care? Yes No*

– *If Yes, say: Those individuals cannot go to child care.*

3. Had close contact (been within 6 feet of someone diagnosed with COVID-19 for a cumulative total of 15 minutes over a 24-hour period) in the last 14 days?

- Yes
- No

• *If No, move on to Question 4.*

• *If Yes, say: They cannot go to child care.*

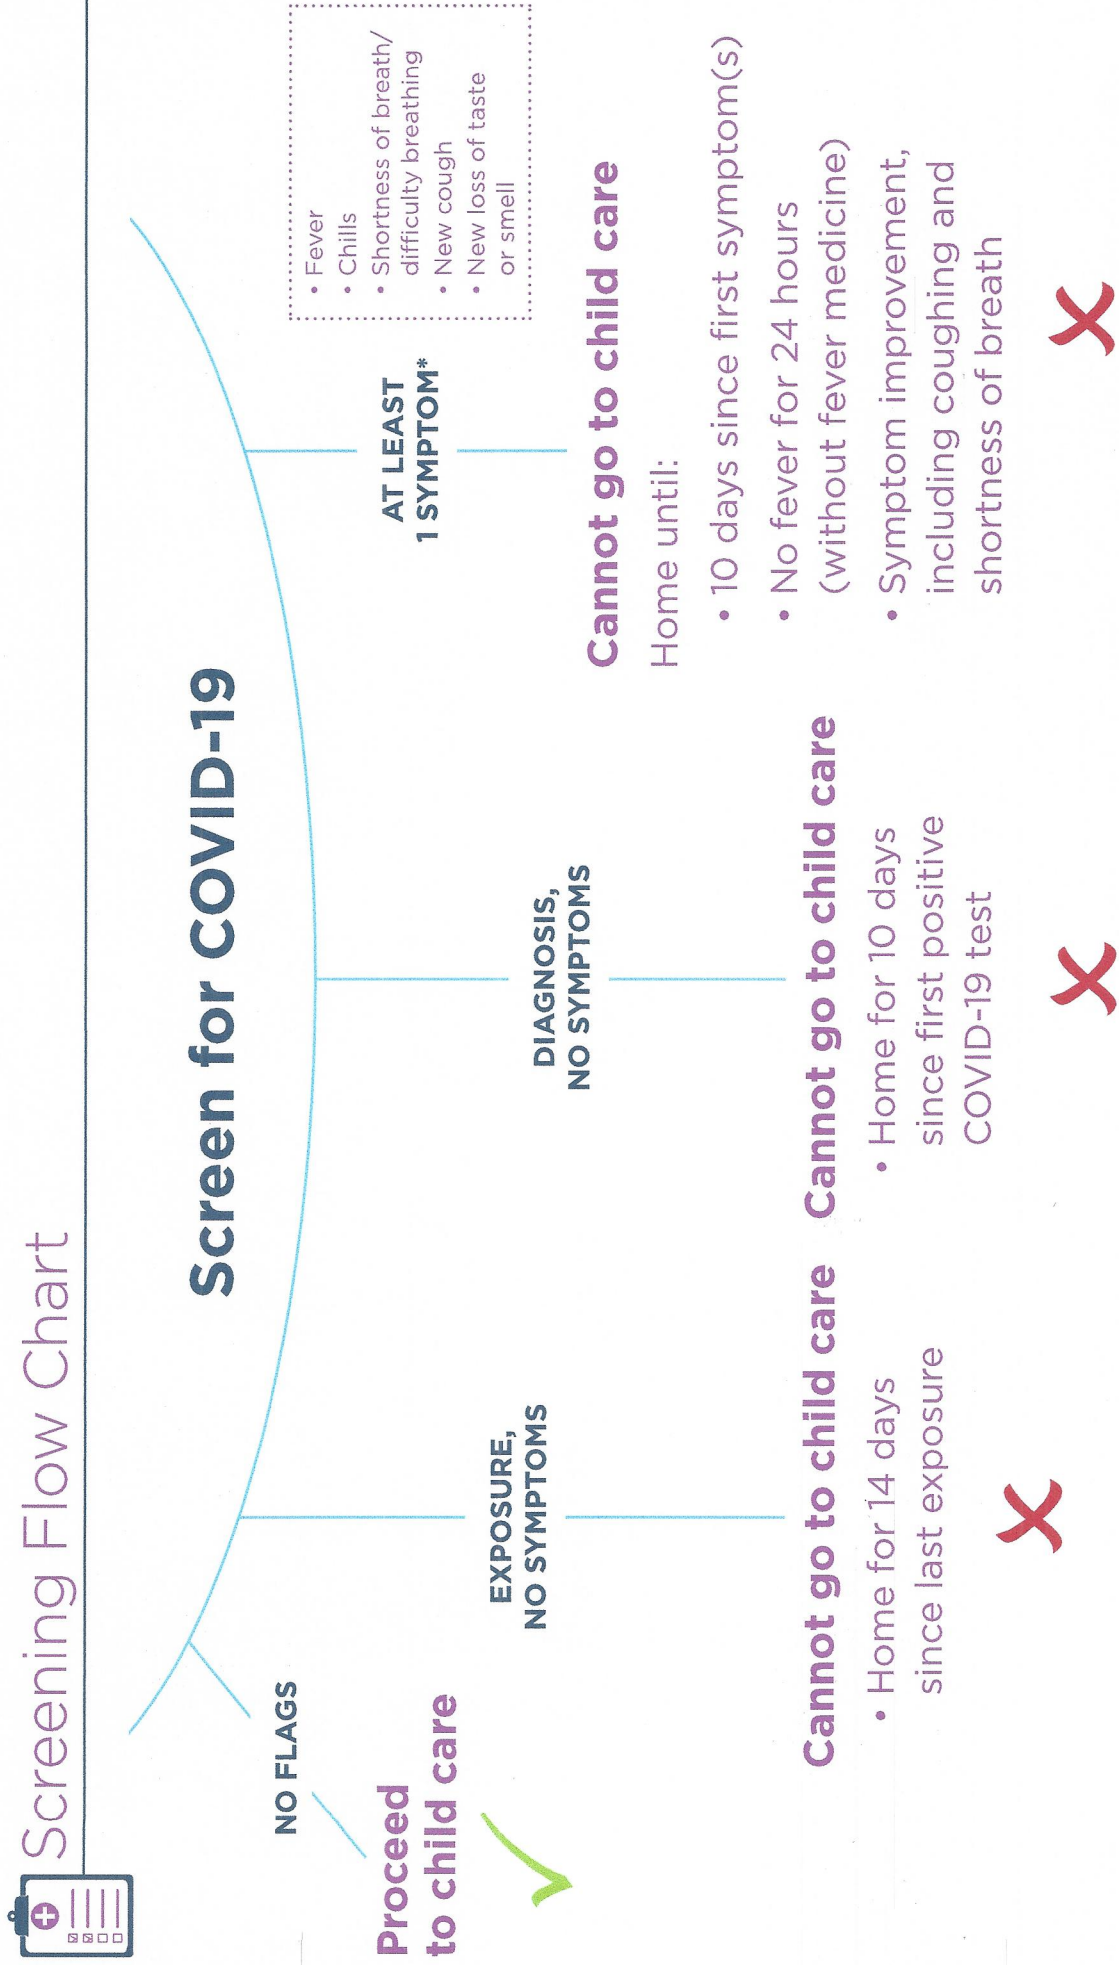

4. Ask: Has any health department staff or a health care provider been in contact with the person you are dropping off and advised them to quarantine?

- Yes
- No

• *If No, say: The person may go to child care.*

• *If Yes, say: They cannot go to child care.*

Handling Suspected, Presumptive or Confirmed Cases of COVID-19 Flow Chart and Protocol

• The more narrow set of COVID-19 symptoms listed here reflects required exclusionary symptoms in order to avoid over-exclusion of people from child care facilities.
